### Intimations

**Communion:** The bread we use for Communion is gluten free and the wine is non-alcoholic.

**Retiral Offering:** The Communion retiral offering today will be to support the work of Compassion. If you would rather give electronically than use the baskets, please use the normal church electronic giving methods (link or QR code) which are on the intimation sheet or the church website. You can also use the Church's card reader to make your retiral offering donation.

**Village Larder:** A big thank you to everyone who brought in items today. After today please hand them directly to the Village Larder. We will be collecting shortage items again next month.

**Gathering for those who are new!** If you are new to the congregation, have become a member in the past couple of years, considering membership or just exploring faith you are warmly invited to an informal gathering on Saturday 20th June from 10.30am until 12pm. This gathering will give an opportunity for us to get to know you better and give some information as to what is happening within the church here in West Kilbride. We would be delighted if you were able to come along and refreshments will be provided on the day!

**Ayrshire Hospice Coffee Morning:** A big 'Thank You!' to all who came and supported the Coffee Morning here at WKPC on 23rd May and also went up to the Sale of Preloved Items in the Bill Penny Hall. Thanks go too to all those who baked, served at the café, and gave items for the sale. The Coffee Morning itself raised £721.48 with a further £700 raised from the Sale of Goods. Well done West Kilbride!

**Extra Kirk Session Meeting:** Elders, please note there will be an extra Kirk Session meeting in the Bill Penny Hall at 10.00am before the Morning Service on Sunday 21st June 2026.

**Session/Teams Snippets:** At the Session meeting on 26th May, the Fabric Team reported that all conditions had been met for the Rose Window restoration, allowing the pre-contract stage to commence; discussion took place about minimising disruption during repairs. Also under consideration are steeple maintenance, storage space in Bill Penny Hall and upgrading the fire safety system. *TBC*
